

Our Curriculum Transformation Support Model

Tailored Support

- ✓ 1:1 consultation such as advice on specific course redesign, designing secure assessments, adapting delivery modes
- ✓ Divisional educational designers work alongside faculty teams to build local capability

Professional Development

- ✓ Program and course level design sprints and workshops
- ✓ Course Design Institute
- ✓ Targeted professional development through short, focused sessions on specific topics such as designing authentic assessments, pedagogical principles

Resources & Guidelines

- ✓ Templates and guides for mapping and getting started
- ✓ Exemplars such as UDL in practice in UNSW courses
- ✓ Guides - curriculum transformation roadmap, assessment & feedback checklist,
